

Go from veteran to entrepreneur..

...by joining VetStart, a University of Louisville business start-up program that's free to Kentucky military veterans.

You'll receive 10 weeks of start-up training, one-on-one mentoring and limited funds for eligible start-up expenses. You'll learn how to hone your ideas, develop strategy and build a network of others who can help you.

LaunchIt will meet on Thursday evenings from 6-9 p.m. on the JD Nichols Campus for Innovation & Entrepreneurship in downtown Louisville (complimentary parking) from 2/18 – 4/21, inclusive.

Applications will be accepted through 1/29/16.

It's no easy mission, but if you're a Kentucky veteran with a great plan for a new business, **check out:**
